EMERGE™

All Purpose Cleaner

Product Description

An all purpose cleaner with a label that says it all, "All you need for all you clean". EMERGE is a versatile concentrated cleaner for cleaning a multitude of hard surfaces. Clean oil, grease, dirt, and grime, from asphalt, concrete, metal, and painted walls. Environmentally friendly, no VOC's, no global warming potential and safe to use, EMERGE is ideal for any cleaning job!

Applications

Concrete / Floors: Add 4 ounces of EMERGE per gallon of water. Apply freely to the floor or hard surface with a mop or sponge. Pick-up and rinse with clean water.

Light / Medium Soils: Add 4 ounces of EMERGE per gallon of water. Apply to surface and allow to penetrate. A light scrubbing action will increase cleaning effectiveness. Rinse thoroughly with clean water.

Heavy Soils: Use EMERGE full strength for tough to remove soils. Apply to surface and allow to penetrate until soils have been loosened. Scrubbing action will increase cleaning effectiveness. Repeat if necessary. Rinse thoroughly with clean water.

Floor Machine Application: Add 4 ounces of EMERGE per gallon of water. Apply freely to surface. Agitate surface with floor machine. Pick-up and rinse with clean water.
