Unique, wide, 6-footed
stable design.

**"NO JOB
IS TOO
TOUGH!"**

Now available
in a 3-gallon size
(Model 90163)

Power Sprayer Grade Hose

Kem Oil™ —
Our most chemical
resistant hose.

Large Thrustless Shutoff

Locks on for maximum comfort.
Has an in-line filter.

Unique Pressure Release

Twist to release pressure
and lock open — twist again
to close. Flat so it can't be
accidentally knocked off.

Professional Grade Flat Fan and Cone Pattern Nozzles

Choose the pattern that works
best for your application —
Flat Fan or Cone.

BONUS!

2 Nozzle Patterns —
Flat Fan and Cone

Since 1905
