

METABO 2100 WATT ANGLE GRINDER W 21-230

- Robust Metabo Marathon motor for extra long service life by two Metabo winding protection grids and powder-coated field coil
- High efficiency and increased torque through optimum heat dissipation
- Diecast aluminium gear unit housing: robust and resistant to wear
- Additional vibration damping Metabo VibraTech (MVT) handle for convenient continuous operation
- Main handle rotatable without tools: the safe handle for cutting and roughing
- Protective cover adjustment without tools
- Metabo safety switch: safety lock against unintentional start
- Metabo winding protection grid to protect the motor from abrasive effects
- Auto-stop carbon brushes to protect the motor. Easy carbon brush change through housing flap.

COMPARATIVE TECHNICAL VALUES:

Grinding wheel Ø	230 mm
Torque	14 Nm
No-load speed	6.600 /min
Rated input power	2.100 W
Output power	1.440 W
Speed at rated load	4.600 /min
Spindle thread	M 14
Weight (without mains cable)	4,8 kg

SCOPE OF DELIVERY

- protective cover
- inner support flange
- adjusting nut
- metabo VibraTech (MVT) handle
- flat-pin spanner
